“Standard Electric comes in, takes a look at what we need, they deliver it and all we really need to do is sign an invoice.”

Production Manager,  
OEM Manufacturer  
Milwaukee, WI

“Before Standard Electric came in, we were guessing and forecasting on orders and usages. We were going off of a gut feel, which was cumbersome and hard to track”

Production Manager  
OEM Manufacturer  
Germantown, WI

Standard Electric's Inventory Management System helps your business reduce costs and run at peak efficiency.

"The Standard Electric team exemplifies strong partnership. Their sales leaders provides solutions and creative alternatives while the VMI team keep us running. As a customer I also appreciate the cost controls I see in the warehouse operation being run efficiently and their purchasing team battling component manufacturers on our behalf."

Director of Supply Chain  
OEM Manufacturer  
New Berlin, WI
