TERMS AND CONDITIONS

I/we certify that this information is correct, complete and that we are able to pay within thirty (30) days of each invoice date for any labor and/or materials ordered. I/we further understand that Standard Electric Supply Co. (SESCO) will rely on this information for the extension of credit. This is not an agreement by SESCO to lend money, it is an agreement by Customer for the benefit of SESCO, should SESCO determine to supply labor and/or materials or extend credit to Customer in the future.

Customer agrees that any amount not paid within 30 days of invoice date may carry interest at the rate of 1 ½ % per month, both before and after judgment, and further agrees to pay all costs incurred in collection of said past due invoices, including attorney's fee in the amount of 1/3 of the total balance due, if said past due invoices are placed with an attorney for collection, whether suit is filed or not. Customer expressly agrees to submit to personal jurisdiction in Wisconsin and agrees that the forum for any litigation pursuant to this Agreement or any other contract between SESCO and Customer, whether SESCO or Customer brings suit, shall be in the County of Milwaukee, Wisconsin. This Agreement shall be governed by and construed in accordance with the laws of Wisconsin.

Customer further agrees to pay all amounts due under this Agreement until SESCO has received written notice closing this account or SESCO has determined, in its sole discretion, to close this account and sent written notice of said closing to Customer.

All waivers executed by SESCO shall be effective only to the total dollar amount of payments actually received. Customer agrees that SESCO retains its mechanic's lien, payment bond or other legal rights for unpaid deliveries, regardless of what other documents have been presented to SESCO for signature that may imply otherwise. Customer further agrees that SESCO has the right to determine, in its sole discretion, how to apply payments, and which invoices to pay with all payments received on this account, despite any advice to the contrary. SESCO may change credit limits or other credit terms at any time.

SESCO may stop the manufacture or supply of any labor and/or materials when it, in its sole discretion, determines that Customer is in breach of this Agreement or any other contract with SESCO, or SESCO has insecurity with respect to Customer's creditworthiness, until payment is made and any dispute or insecurity has been resolved. Customer further agrees that SESCO shall not, in any event, be responsible for any damage due to delay in supply of any labor and/or materials.
