

# Shield-Kon<sup>®</sup>

## WT540 INTERCHANGEABLE DIE COMPRESSION TOOL with the Shure-Stake<sup>®</sup> mechanism for Shield-Kon<sup>®</sup> Connectors.

### INSTALLATION INSTRUCTIONS

1. Use chart to determine the die required to install the desired connector.

**IMPORTANT:** Installing dies for the GSC connectors are color coded. Match the color on the GSC connectors to the color code on the die to insure proper selection.

**NOTE:** Die numbers appear on the end of the die, the color code appears on the side of the die .

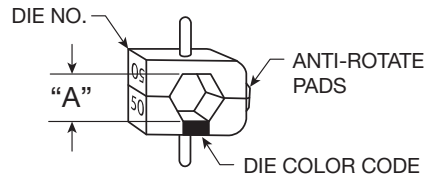

2. Snap the dies in the tool, making sure the anti-rotate pads are in the groove.
3. To interchange the dies merely grasp with fingers and remove.
