

MANAGER MINUTE

STANDARD ELECTRIC SUPPLY CO.

WITH DREW SHERRICK

“Hello, I’m Drew. I’m a Warehouse Manager with Standard Electric at the Appleton, WI location!”

What’s your favorite indoor/outdoor activity?

Indoor - that’s easy... Watching the greatest sports team ever, the New York Yankees.

Outdoor - From mid-September to December, I spend most of my time in the woods deer hunting.

What are you currently watching on Netflix?

Ozark - I just started it and I love it!

Who inspires you?

Actually, my wife. We’ve been together 20-plus years and I can count on one hand the times I’ve seen her in a bad mood. That’s saying a lot living with me. She is probably the most unselfish person I have ever met in my life.

What is your personal philosophy?

If you choose to do something, do it right and do it all the way.

What is the first concert you attended?

Pearl Jam at Alpine Valley many years ago.

What is the best meal you’ve ever had?

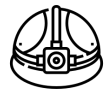

That’s a tough one. My mom is the best cook I’ve ever met so every time I visit she’s always making food.

What is one thing you can’t live without?

Sweets. Especially donuts, cookies, cake, etc. I have a HUGE weakness for those.

What would you tell someone who is entering your field?

Have lots of patience and be prepared to wear multiple hats.

What’s something most people don’t know about you?

Some people know this, but I am extremely colorblind. It is very inconvenient at times.

If you won the lottery, what is the first thing you would do?

Move somewhere near a beach, preferably by the ocean.
