What is your favorite outdoor activity?

My favorite outdoor activities are snowboarding and camping.

Who inspires you?

Everyone! I love hearing people’s stories and how they live life. Life affects everyone differently and it is amazing to be part of someone’s life story.

Who is your least favorite superhero?

Who has a least favorite superhero?

What are you currently watching?

I don’t have Netflix because I don’t have Internet at my house.

What is the best meal you’ve ever had?

Not necessarily a meal, but my friends and I used to trade water for watermelons with a farmer outside of our base in Afghanistan. The watermelon was so fresh and delicious I can’t even begin to describe it. My mouth is watering just thinking about it.

What is your personal philosophy?

Don’t tell me no, I’m just going to do it anyway.

What is the one thing you can’t live without?

Food. Not just because I would die without it, but I love to eat and experience new foods.

What’s something most people don’t know about you?

I used to be a foster parent when I lived in Oklahoma.

If you won the lottery, what is the first thing you would do?

Depends on the amount. Anything less than \$1,000,000 I’m spending... all of it. Anything over \$2,000,000 I would donate.
