Features

- True RMS
- Auto AC/DC voltage detect with low impedance (Auto - VLoZ)
- Capacitance
- Frequency
- Analog Bar Graph
- Smart Data Hold
- Min/Max
- Non-contact voltage detect
- Peak Hold (61-486)
- Temperature (61-486)
- Low battery indication
- Auto power off
- 2-year warranty
- Back-lit display

Models

Description	Catalog #
480 Series Digital Multimeter with peak hold, temperature, includes thermocouple	61-486
