Features

- Larger Clamp Size (1.25")
- Backlight
- Ground resistance (0.1 to 1200 Ω)
- Ground leakage current to 30A
- Ground continuity loop test
- Audible alarm
- Data Storage
- Data hold
- Calibration loop included
- Resistance Accuracy: 1.5%
- Leakage Current Accuracy: 2.0%
- Auto-power off
- Auto ranging
- Cat III - 300V
- 2-year warranty
- Carrying case included
- Saves up to 99 measurements
