## ENCLOSURE MODIFICATION

With the unmatched automation capabilities of our two Enclosure Modification Centers and extensive inventory, Standard Electric can meet the demands of your unique application.

## ONSITE TRADE SHOW

Standard Electric's *Show on the Road* brings the trade show directly to you! We eliminate the time out of office and cost of travel to an off-site trade show.

## TRAINING & SEMINARS

Standard Electric's technical solutions team is well aware of our industry's ever-evolving learning curve. That's why we offer numerous training opportunities to keep our customers as up-to-date on new technologies as our team themselves.
